

A COURSE IN MIRACLES

Now is the Time of Resurrection

Easter Retreat with Tim Christopher
Friday April 2nd – Sunday April 4th

This is an invitation and a call to a celebration of your power to fulfill the mission of the resurrection in this time and place: - The incomparable joy of self-realization through the illuminate mind-training of A Course in Miracles.

“This is a declaration that objective reality, where you are, is actually being resurrected each moment, in a quantum leap, in a total reassociation of your mind, in a transfiguration of your body through the dedication to remember and return to Heaven and the Eternal Love of God.”

“Your resurrection is your reawakening. I am the model for rebirth, but rebirth itself is merely the dawning on your mind of what is already in it.” Jesus in A Course in Miracles

This is a focussed and dedicated out-of-time encounter with the resurrected mind of Jesus Christ. It has nothing whatsoever to do with this world of pain, loneliness and death in which you seem to live, but only your escape from it.

The light of forgiveness is your key to the release from the bondage of space and time, and the limitless joy of awakening to the certainty that you are now and have always been whole and perfect as God created you.

We will be demonstrating your power of decision to bring about a whole new re-identity in the Universal Reality of Love, in bright, new, miraculous instances of healing and rejuvenation.

Come with me to share the Resurrection of God’s Son

“Your glory is the light that saves the world. Do not withhold salvation longer. Look about the world, and see the suffering there. Is not your heart willing to bring your weary brothers rest?

They must await your own release. They stay in chains till you are free. They cannot see the mercy of the world until you find it in yourself.... You are the holy Son of God Himself. Remember this, and all the world is free. Remember this, and earth and Heaven are one.” W-191
