

The Joyful Mind-Science of Miracles

Hamburg, Germany

25th - 27th of November, with Tim Christopher

This is a call to those who have recognized the imperative for a fundamental awakening to a True Identity in the Universal Mind of Christ. This is only a perfectly natural, quantum evolution in consciousness, which is the enlightened destiny of every human being.

Come and let yourself be healed and together we will celebrate the miracle of your awakening to the Eternal Reality of Love that is all around us and all there has ever been. Welcome Home!

Forgiveness is the key to Eternal Life

Your forgiveness is the means by which the world is healed, together with yourself. Therefore, forgive the world, that it may be healed along with you.

Forgive the world, and you will understand that everything that God created cannot have an end, and nothing He did not create is real. In this one sentence is our course explained.
