

Illuminating *A Course in Miracles*

"Your glory is the light that saves the world."

with Tim Christopher

The Miracle of Oneness

"You can lose sight of oneness, but can not make sacrifice of its reality. Nor can you lose what you would sacrifice, nor keep the Holy Spirit from His task of showing you that it has not been lost. Hear, then, the song your brother sings to you, and let the world recede before his song, and sight of him replace the body's eyes."

Fri Feb 23rd - Sun Feb 25th • Purley Chase Centre • Atherstone, Warwicks

This is a retreat for students and teachers of *A Course in Miracles*. It is a sanctuary for the joyful re-discovery of the singularity of the Word of God and illumination of mind in Christ.

This retreat offers a unique forum to focus on the curriculum of individual atonement laid out in the incomparable spiritual masterpiece of *A Course in Miracles*. It is an out-of-time oasis for awakening the resurrected mind and the imperative for direct understanding of the miracle of Oneness.

"The Bible enjoins you to be perfect, to heal all errors, to take no thought of the body as separate and to accomplish all things in my name. This is not my name alone, for ours is a shared identification. The Name of God's Son is One, and you are enjoined to do the works of love because we share this Oneness. Our minds are whole because they are one."

T-8.IX.7

The great spiritual transformation of **A Course in Miracles** is a journey of awakening into the eternal miracle of the Present, where all is One. True forgiveness is the way that leads beyond illusions, undoing the obstacles to the enlightened self-realization of Love's Presence; the awareness of the Oneness of Mind in God.

"The Oneness of the Creator and the creation is your wholeness, your sanity and your limitless power. This limitless power is God's gift to you, because it is what you are. If you dissociate your mind from it you are perceiving the most powerful force in the universe as if it were weak, because you do not believe you are part of it."

T-7.VI.10

We are illuminating *A Course in Miracles* as an extraordinary mind-science of 'true forgiveness' and healing, whose sole purpose is to transform the mind, awakening the power to choose the incomparable joy of your own spiritual reality.

True Forgiveness is the choice that leads away from struggle, conflict, fear, and pain; the choice that opens up new vistas of happiness and peace, leading to illumination and the passionate, creative energies of eternal life. It's simply time to come Home.

"This is an invitation to join us in the illuminate mind-training of A Course in Miracles, and the passionate certainty of your awakening to the reality of eternal life! Come and discover the power and simplicity of the miracle of true forgiveness. And let us celebrate together, the healing of the mind to a whole new identity in the celestial order of perfection and love."
