

Illuminating *A Course in Miracles*

Holy Week & Easter Retreat with Tim Christopher April 13th-21st - La Finca de Milagros, Spain

An out-of-time sanctuary for the joyful self-discovery of the illuminate reality of resurrected mind.

"This day you will be with me in Paradise."

"A risen Christ becomes the symbol of the Son of God's forgiveness on himself; the sign he looks upon himself as healed and whole."

A 9-day Holy week and Easter retreat experience with Tim Christopher and friends. Under the auspices of the Holy Spirit and the Rabbi Jesus, we are meeting to explore the supreme secret that has been revealed in this Course in Miracles, for overcoming the world and the attainment of victory over death.

"This week we celebrate life, not death. And we honor the perfect purity of the Son of God, and not his sins."

The mystery of the resurrection lies in the joyful release of the Son of God to the knowledge of perfect innocence. How could this be accomplished except through complete forgiveness of the false condition of sin and separation.

This Holy Week bring all your love for God and desire for the restoration of what is forever true in you and be made whole in Christ. We will be celebrating the mystery of its accomplishment in us and the certainty of victory over the ego through individual illumination in the universal mind of Christ.

This Easter I would have the gift of your forgiveness offered by you to me, and returned by me to you. We cannot be united in crucifixion and in death. Nor can the resurrection be complete till your forgiveness rests on Christ, along with mine." Jesus Christ
